Project Proposal: Fresh Bread Company

1. Organisation Overview

❖ **Name:** Golden Crust Bakery

❖ **Brief History:**

Golden Crust Bakery was founded in 2018 in Johannesburg as a small family-owned business specialising in freshly baked, artisanal bread. What began as a local neighbourhood bakery has grown into a trusted brand known for quality ingredients, traditional baking methods, and daily fresh products. The bakery now supplies bread to local cafes, restaurants, and walk-in customers.

❖ **Mission Statement:**

To provide high-quality, freshly baked bread using natural ingredients while maintaining exceptional customer service.

❖ **Vision Statement:**

To become a leading artisanal bakery brand in South Africa, recognised for freshness, sustainability, and innovation.

❖ **Target Audience:**

- Local residents and families
- Restaurants and cafes
- Health-conscious consumers
- Office workers and daily commuters

2. Website Goals and Objectives

❖ **Goals:**

- Increase online visibility and brand awareness
- Enable customers to browse and order products online
- Generate leads for bulk and business orders
- Provide information about products, ingredients, and bakery story

❖ **Key Performance Indicators (KPIs):**

- Website traffic (monthly visitors)
- Conversion rate (online orders)
- Average time spent on site
- Number of contact form submissions
- Online sales growth

3. Current Website Analysis (if applicable)

❖ Strengths:

- Simple and clean layout
- Basic contact information available

❖ Weaknesses:

- No online ordering system
- Outdated design and branding
- Limited product information
- Not mobile-friendly

❖ Areas for Improvement:

- Add e-commerce functionality
- Improve mobile responsiveness
- Enhance visual appeal with high-quality images
- Include detailed product descriptions

4. Proposed Website Features and Functionality

❖ Essential Features:

- Homepage with featured products and promotions
- About Us page (story and values)
- Products page (bread varieties, pastries, prices)
- Online ordering system (cart and checkout)
- Contact page with map and enquiry form
- Gallery of baked goods
- Customer testimonials

❖ Functionality:

- Secure online payments
- Mobile-friendly design
- Search and filter products
- Newsletter subscription
- Social media integration

5. Design and User Experience

❖ Colour Scheme:

- Warm tones (brown, beige, cream) to reflect bread and baking
- Accent colours (gold or orange) for highlights

❖ Typography:

- Headings: Serif font (e.g., Playfair Display) for a traditional feel
- Body text: Sans-serif font (e.g., Open Sans) for readability

❖ Layout and Design:

- Clean, modern layout with rustic bakery elements
- High-quality images of fresh bread
- Clear call-to-action buttons (e.g., “Order Now”)

❖ User Experience Considerations:

- Easy navigation with clear menu structure
- Fast loading pages
- Mobile responsiveness
- Simple checkout process

❖ Low-Fidelity Wireframes (Description)

6. Technical Requirements

❖ Hosting and Domain:

- Domain: www.goldencrustbakery.co.za
- Reliable hosting provider with SSL security

❖ Technologies:

- HTML5, CSS3, JavaScript
- Frameworks: Bootstrap or React (optional)
- Backend: Node.js or PHP
- Database: MySQL

7. Timeline and Milestones

Phase	Task	Duration
Week 1	Research & Planning	5 days
Week 2	Wireframes & Design	5 days
Week 3–4	Website Development	10 days
Week 5	Testing & Debugging	5 days
Week 6	Final Review & Submission	5 days

8. Budget

Item	Estimated Cost
Domain Registration	R150/year
Hosting	R1,200/year
Design & Development	R8,000 – R15,000
Maintenance	R500/month
Total Estimated Cost	R10,000 – R20,000
